

PRACTICAL INFORMATION

Major “news”:

- last session on confounding etc.,
- timing for home assignment 2:
 - * due Tuesday Nov 25 at 1pm,
 - * returned to you Tuesday Dec 2 (with marks and a brief solution),
 - * possible in-class review in session on Dec 3,
- no news about tomorrow’s session.

Today’s session:

- review/discussion: Problem 13.9 and extra Matching problem (note: updated solution),
- review: four causation scenarios,
- individual work on remaining problems (13.2 + 13.10 + home assignment 2007: 5-6),
- optional problem for later: exam question 2007 (at 2007 webpage),
- more time for questions and discussion.
